

# *Abba Father.*

I come asking how to love my family,  
my friends, my neighbors,  
and the many with greater needs that I can supply;

I AM FINITE AND FEEBLE.

Help me serve and give and know  
that "if after doing all that I can to make others happy,  
they yet remain obstinately bent to follow those ways  
that lead to misery,

I LEAVE THEM TO THY MERCY."

*Amen.*
